

Adders Class: Spring 2 – 2024

In English, we will be:

- writing a balanced argument linked to 'Living Things and their Habitats'.
- reading 'Boy in the Tower' by Polly Ho-Yen

In Science, we will be studying Evolution and Inheritance

In PSHE we will be focusing on Healthy Lifestyles

We will be looking at a range of physical and mental aspects of healthy living, focusing particularly on healthy eating and physical activities, understanding that our behaviour, routines and choices all contribute to a healthy lifestyle. We will learn about the different substances food contains, including nutrients and their benefits.

In DT, we will be looking at Food and Nutrition

We will learn how to cook foods that are often pre-made and processed. We will learn and apply techniques to make dishes designed to help improve energy levels, mood and future health.

In History, we will be studying Five Past Monarchs Through Time

UKS2 What is holiness for Jewish people: a place, a time, an object or something else?

Prior learning

Mitzvahs (good deeds) are important.

Shabbat is a day of rest.

At New Year God gives people a chance to put things right.

The Torah is an important book.

The Exodus story.

There is a covenant between God and the Jewish people.

What should we know?

Jewish people believe:

- God is holy.
- God gives commands to his people to make them holy, to live a holy life and keep to a holiness code.
- God's name itself is holy. Jewish people use an alternative for the word God e.g. Ha shem – the name, or G - D.
- Shabbat is a holy time.
- Being Barmitzvah/Batmitzvah does not make someone holy but it makes a Jewish person responsible to God for their religious lives.

You shall be holy, for I the Lord your God am holy. Leviticus 19 v.2

What should we be able to do?

Explain what the burning bush story in Exodus teaches about holiness.

Explain in what way Shabbat is holy and how Jewish families mark its beginning and ending.

Give examples of what the Torah says about living a holy life.
