

## Curriculum Map Autumn 2020 KS1

community	Group of people living in the same place	
belong	Being a member of a group, how we fit in	
locality	The area where you live	
emotion	How we feel	
habitat	Natural home of an animal or plant	
vary	How something is different	
predict	Say what we think will happen	
diverse	Is very different and varied	
define	Give the meaning of	
refers to	Point towards	
identify	Say who or what something is	
describe	Give details about something	
suggest	Give possible answers	
conjecture	Make a guess	
believe	Have confidence in what you say is true	
solution	The way you solve a problem	
possible	Something that can happen	

During this topic, we'll be focussing on our social and emotional learning and how we belong to our class

As artists, we will be learning how to use art equipment independently in class, and learn how to colour mix paint so that we can paint our own portraits.

As scientists, we will use what we have learnt about animal groups to find out about the animals that belong to different habitats around school. We will be investigating different changes and doing experiments. We will learn a lot about hygiene and how important it is to be clean and exercise, including how we can use exercise to help us calm down and how to keep our teeth clean.

We will be finding out about how to belong to our class and follow rules in PSHE, as we start the new school year.

We will learn about why belonging to God and the church family is important to Christians and how Baptism helps them to belong.

Key Vocabulary	
<b>habitat</b>	A <b>habitat</b> is the natural place something lives. A <b>habitat</b> provides <b>living</b> things with everything they need to <b>survive</b> such as food, shelter and water.
<b>microhabitat</b>	A <b>microhabitat</b> is a very small <b>habitat</b> in places like under a rock, under leaves or on a branch. Minibeasts live in <b>microhabitats</b> . The <b>microhabitats</b> have everything they need to <b>survive</b> .
<b>depend</b>	Many <b>living</b> things in a <b>habitat</b> <b>depend</b> on each other. This means they need each other for different things.
<b>survive</b>	This means to stay alive.

Curriculum Enrichment –  
We are hoping we can still  
perform for parents at our  
Macmillan Coffee  
afternoon.
