

Welcome to Foxes Class

In Foxes class we like to prepare the children for the next step in their education by developing and encouraging independence, resilience, responsibility and organisational skills.

Routines and Equipment

PE - Monday and Wednesday, school PE kit to be worn.

Home Learning - given out on Wednesday for following Wednesday, this will consist of maths and English. There will be one column of the year 5/6 common exception words per half term on spelling shed to learn. These are also in diaries. Children must read 5 times a week and have this signed in their diary by an adult.

Our bingo book list has a range of good quality books which we encourage the children to read before the end of year 6.

A typical day in Foxes class

At the start of every day the children have key maths, grammar and reading skills to complete. This is followed by either a reading or grammar session and a sentence stacking writing lesson. Maths will follow the key objectives taken from both year groups and will include problem solving and reasoning questions to deepen their understanding. The afternoons have 2 topic sessions, which include art, science, ICT, RE, PE, PSHE and either history or geography, music, French and DT.

Partnership

As always children learn best when there is a strong partnership between home and school. We appreciate your help in developing and encouraging the key skills your child will need in the next stage of their education. If you have any concerns or questions regarding their time in Foxes class, please speak to me on the gate or contact the office for an appointment.

I will arrange a date to talk to you regarding the residential and SATs nearer the time so I can answer any questions you may have.
