23rd October 2020

Dear Parents,

I hope you and your family are keeping well.

As you may know, we've been planning ahead in case we have to move to remote learning for individual pupils, bubbles or the whole school. Our priority is to provide a seamless transition between learning in school and at home to cause as little disruption as possible. We're therefore complementing our resources with those from Oak National Academy.

Much of our remote learning will follow a similar format as in the previous lock down, following a timetable with various links. Don't forget your child also has access to Oxford Owl, Spelling Shed and TT Rock Stars as well as many links available on our [curriculum support page](#) of the website.

Oak's online classroom has 10,000 video lessons created by teachers which are available for free on www.thenational.academy. Oak is backed by the Department for Education and, last term, provided nearly 5 million pupils with 20 million lessons.

You can use Oak's online classroom on any device, you don't need to log in or remember a password. Your child's teacher will advise the best way to learn at home and send links to the relevant lessons through email or our school website. Please see our remote learning policy [here](#). Each of Oak's lessons is delivered by a trained teacher, over a pre-recorded video. It's clear at the start of each session any basic materials you might need, such as pens, paper, etc. The lessons are designed to need minimal supervision, although this will depend on the age of your child.

You can access some frequently asked questions about Oak [here](#). Please read through and follow your teacher's advice and guidance.

With best wishes,

Joanne Austin
