## Worship + Prayer Space Schedule

### Monitoring guidelines

#### Prayer space activities

These will be planned as an overview by BD but all staff will be involved in delivery and detailed planning / preparation for their session.

Evaluation will include:

- Photos of any stations or areas
- Video of a couple of children reflecting on the experience using some key questions pre-planned. This will be added to seesaw account.
- Review from each class as a reflection. Teachers to gather this information and share with BD for evidence folder (could add to RE floor book too).
- 2 quotes to be gathered from your class as evidence
- Teacher reflection to be shared

#### Half termly value

Each class will nominate at 2 children to be part of worship group reflections. These children will gather at the end of each half term to share reflections in front of the CW display board. This will be videoed and added to seesaw.

- Classes will take it in turns to share learning at the end of each half term as per schedule above.
- Worship works – B, S, G – awards will be used to support action planning and give pupils a chance to achieve recognition of their contributions.
- Governors will be involved in reviewing CW with worship group each term. This will cover different days during the week.
