

Kitten Class

My Learning this week

Phonics

This week the sounds we have learnt are:

Adjacent Consonants

e.g. windmill, shampoo, helper

Tricky word of the week:

like, when, little

You have been given new 'tricky words' to learn in your reading folder. This [link](#) will help you think of fun ways to learn them.

Don't forget to complete our reading challenge too!

Maths

This week in Maths we have been exploring:

finding half a set of objects

What is half of 8? Half of 8 is 4.

We have been using the words **whole** and **half**. We shared the cubes equally between 2 people to find half - "one for me, one for you".

Trees

We have been looking closely at the features of trees. We have learnt that some trees are called **evergreen** and stay green all year and do not lose their **leaves** in Autumn. Some trees are **deciduous** and they do lose their leaves in Autumn. The leaves are often brown, red, yellow and orange in Autumn.

Owls

Over the last few weeks we have been learning lots of facts about owls, especially Barn Owls. We have written our own facts about owls to share with our friends. Next week, we are going to be enjoying a story all about an owl that was afraid of the dark!

What facts can you share with your family?

Concept Cat:
