

Welcome to Foxes Class

In Foxes class we work hard to develop our confidence, responsibility and independence so we are well prepared for the next stage of our learning journey.

Routines

Homework: will be set on a Wednesday to come in the following week.

PE: will be Mondays and Wednesday. Full PE should be worn in school with no jewellery.

Equipment: Diaries and reading books should be in school every day.

A day in the life

Children will practise their **English and maths skills** every morning during the register and prior to lunch to embed their learning.

English lessons will include spellings, grammar, reading and writing.

Maths lessons include fluency, reasoning and problem solving

Topic learning is history, geography, PE, science, PSHE, RE and art

We end the day with a story.

Thoughts

We believe that successful children come from a positive and supportive relationship between school, home and the child. If you have any concerns or questions please feel free to make an appointment to speak with me.

Homework

Maths and English will be set weekly. Children are also expected to complete their 5 reads and log this in their diaries. TTRock Stars and Spelling Shed should be used daily. Please do support your child with their homework but please make sure they are doing the work.

Mrs Windmill

I have been at Copdock School since 2005. I worked as an HLTA in Foxes class before starting teaching in Woodpeckers before coming back to Foxes. I love the characters of the older children and love to challenge them to achieve their best. In my free time I love to go to the beach or for long walks and I love to read. I have 2 adult daughters and believe that family is essential to a happy life.

We are supported by **Mrs Lankester**, who is new to Copdock School but has extensive experience working in a mixed year 5/6 class.

Together we aim to support every child to achieve their best.
