

All about me

During this topic, we will be focussing on getting to know each other and our school area. We will look at the four seasons and how weather changes.

| | | |
|-----------|---|---|
| deciduous | Trees that have brown leaves and lose their leaves in Autumn |  |
| evergreen | Trees that have green leaves all year round |  |
| map | An image of an area, usually of the Earth or part of the Earth. |  |
| weather | What the sky and air is like outside. |  |
| continent | A very large piece of land that covers a big part of Earth. |  |
| ocean | An enormous sea. |  |
| past | Something that has happened before. |  |
| present | Now |  |
| primary | 1 st , primary colours = red, blue, yellow |  |
| secondary | 2 nd , secondary colours = orange, green, purple |  |
| senses | 5 senses to help us explore the word around us |  |
| Autumn | 1 of 4 seasons. Deciduous trees lose their leaves in Autumn. |  |

How do we belong to a group?

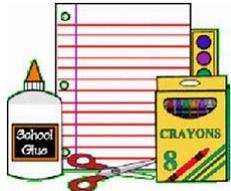

We will be getting to know our new friends by playing games, learning each other's names. We will learn to write our own names.

We will be making up special promises to help us to get along, our classroom charter.

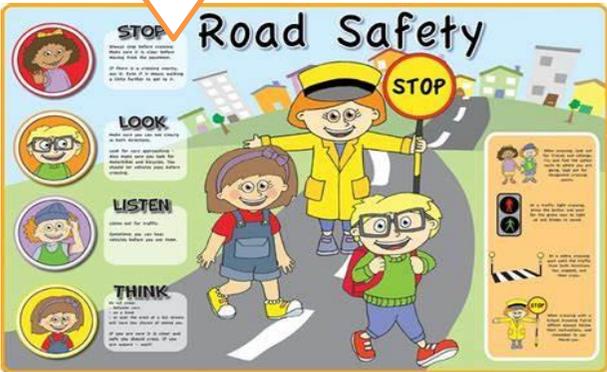

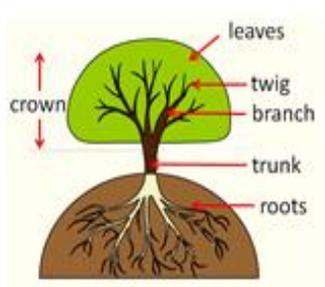

What is our classroom area like?

We will be exploring our indoor and outdoor classroom, playing with the resources and putting things away tidily.

Curriculum Enrichment – Go on a walk around our village and practise crossing the road

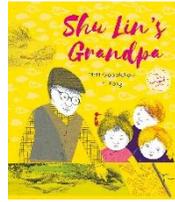

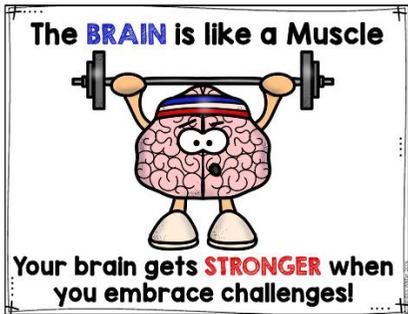

What is around our school?

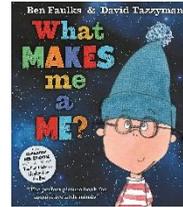

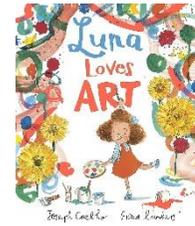

We will be exploring the area around our school using our 5 senses, to help us get to know it. We will use our forest school area to find out more about what is growing and how it changes in Autumn.

Here are some of the words you might hear grown-ups use during your learning.

We will be looking at how our brains grow and what we can do to make them stronger.

We will be reading books such as:

Who is in your family?

We will take part in a Harvest Festival at church.

Why is the word God so important to Christians?
We will be thinking about a group of people called Christians and how God is important to them.

Why do some people speak in different languages?
We will be learning some French words to say hello, goodbye and thank you to our new friends.

How do I make new colours?
We will be learning how to make new colours by mixing colours together.
