In Computing we will exploring information technology at home and around the world. We will be looking at what information technology is, how it improves our world and using it safely.

KS1 Why was Jesus given the name 'saviour'?

Prior learning:	What should we know?		What should we be able to do?
God is a VIP. Jesus is God's son. He told parables to teach about God. Everyone is welcome into the Christian family. Christians pray to God and worship him in different ways. The Holy Spirit reminds Christians God is always with them.	Christians believe: • God decided to show the world how much he loved us by coming to earth as the baby Jesus. This was a wonderful gift. • Jesus is the saviour and rescuer of the world. He shows people the way to God. • Advent is a special time of waiting to celebrate the 'coming' of Jesus.		Remember the Annunciation story. Recognise an advent calendar or candle. Recall one of the stories about Jesus as a baby. Describe Jesus as a saviour or rescuer.
