In Writing, we will be learning about character descriptions and poems that will develop our vocabulary.

In Science we will be learning about animals including humans. We will learn what an animal is, how they mature and what they need to stay alive. This will then lead to us learning how humans keep healthy.

In History we will be learning about significant individuals who have been to space, exploring who they are and what they achieved. We will be learning about Neil Armstrong, Mae Jemison, Bernard Harris Jr and Tim Peake.

In Art, we will be learning how to smooth a form out of clay. We will explore a range of materials to understand the importance of weight and balance in construction and then use recycled materials to create our own sculpture inspired by The Enchanted Owl by Kenojuak Ashevak.

In RE, we will be exploring the question: What are the best symbols of Jesus' death and resurrection at Easter? We will be engaging and enquiring with the idea of symbols being used to remember Jesus along with exploring stories about Jesus' death.

In Computing we will be exploring how to create animations and design a programme. We will also be considering how to manage online information.

KS1 What are the best symbols of Jesus' death and resurrection at Easter?

<p>Prior learning:</p> <p>Jesus is the saviour of the world. He told parables to teach about God.</p> <p>Everyone is welcome into the Christian family.</p> <p>Christians pray to God and worship him in different ways.</p> <p>The Holy Spirit reminds Christians God is always with them.</p>	<p>What should we know?</p> <p>Christians believe:</p> <ul style="list-style-type: none"> • Jesus died at Easter but came back to life. • Jesus is alive in heaven. • Easter is a time of celebration. • There are different symbols used in the Christian tradition. 		<p>What should we be able to do?</p> <p>Remember one of the Easter stories.</p> <p>Describe different symbols used at Easter.</p>

In PSHE we will be learning about working together. We will be beginning to develop skills in communication and working with others. We will also be identifying our own strengths and talents and learning how we can use these to be successful in group tasks.

In MFL we will be learning how to say different actions and commands.

In Music, we will be learning to play Ocarinas.
