Dear Customer

Important roadworks information

A14 junctions 52 (Claydon) to 51 (Needham) – Tree removal and replanting

I'm writing to inform you that we will be carrying out essential work on the A14 between junctions 51 and 52 which will involve cutting down and removing diseased trees suffering from Ash Die Back. As part of this work, we will also be replanting with a mixture of new species.

This work is part of a wider project on the A14 between junctions 58 and 49. We will communicate further details of additional phases in due course.

This phase will be carried out over **2 weeks** from **Monday 3 February** to **Saturday 15 February 2025**. We will work between **8pm** and **6am** on weeknights only, weather permitting.

Closures and diversions

To carry out the work safely, we will need to close the A14 westbound between junctions 52 and 51 and divert traffic as detailed below:

- Drivers wishing to travel westbound on the A14 should exit at junction 52 onto Norwich Road then rejoin the A14 at junction 51 to continue their journey

Maps of the diversions are enclosed.

How to find out more

For the latest information, please visit our dedicated webpage
