We will be reading a book each week and learning how to use our phonic skills to write simple sentences linked to the book.

As artists we will be learning how to use clay and making a snake using our skills from Dough Disco. We will create a collage animal by learning how to tear different materials and stick them down.

Our PE will be dance and we will be focusing on animals and being healthy

In information technology, we will be learning how to programme a beebot and move it forwards and backwards

In PHSE we will be learning about diversity and communities. Our learning will take account of ethnicity, nationality, colour, religion, belief, cultural background and gender.

During this topic, we will be learning about animals.

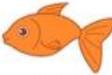

What pets do you have at home? How do you care for them? How does a vet help animals? Do you know about exotic pets? Which pets did people have in the past? What habitats do animals need to help them thrive? We will have fun holding an animal picnic, a Great Pet Sale and a 'Best in Show' event.

In RE we will be thinking about-how can we care for our wonderful world?' Christians believe humans are a special part of God's creation and have a God-given responsibility to care for the incredible world we all share.

We are going to learn some French words for animals.

**Animals**

 Le chat	 Le chien	 La tortue	 Le poisson
 La poule	 Le cochon	 La vache	 Le cheval

In RE we will be exploring the question 'How do some Muslims show Allah is compassionate and merciful?' We will be engaging with the concept of compassion, enquiring into Muslim stories about compassion to animals, exploring compassion; in stories and words from the Quran/Hadith; through fasting in Ramadan; and at Eid-ul-Fitr.
