About this Resource:

- The text is for the children to read. Give each pair a copy of the text (without questions) to read individually or as a whole class.
- The teacher should use the teacher version. It shows you where to pause after each section and provides questions for you to ask. The colours refer to our levels so that you can direct specific questions at specific students (their version does not have these colours or show them which is emerging, etc.). The questions are also numbered in the order they appear on the comprehension sheet.
 - Beginner – Year 1 Emerging (Red)
 - Easy – Year 1 Developing (Blue)
 - Tricky – Year 1 Expected (Orange)
 - Expert – Year 1 Greater Depth (Green)
- The children can record their answers to the questions at the end of the shared read/discussion or in a different session by using the comprehension sheet. The questions have been re-grouped into abilities so that you can assign sections to specific children.
 - Section A – Year 1 Emerging
 - Section B – Year 1 Developing
