

In Science, we will be looking at Living Things and Habitats

Foxes Class Spring 1 – 2022 What's so Special about the USA?

As geographers, we will be looking at the countries in North America, focusing particularly on the USA. We will locate the states of the USA, describe key aspects of physical and human geography and focus on researching one particular state, comparing facts.

In English, we will be writing a narrative based on 'Cosmic'

As authors, we will be looking at the sci-fi story 'Cosmic' by Frank Cottrell-Boyce. Liam is too big for his boots. And his football strip. And his school blazer. But being super-sized height-wise has its advantages: he's the only eleven-year-old to ever ride the G-force-defying Cosmic rollercoaster - or to be offered the chance to drive a Porsche. Long-legged Liam makes a giant leap for boy-kind by competing with a group of adults for the chance to go into space. Is Liam the best boy for the job? Sometimes being big isn't all about being a grown-up.

In PSHE, we will be looking at Diversity and Communities.

We will be looking at our sense of personal identity and self-worth as well as considering and respecting the needs and views of others. We will be looking at the ethnic make up of our communities and the benefits of living in a diverse society.

In art we will look at the pop art scene and produce our own pictures based on the work of Andy Warhol.

Andy Warhol (1928-87) was an American artist, director, and producer who was a leading figure in the visual art movement known as pop art.

Key Vocabulary	Definition	Key Vocabulary	Definition
immigration	The action of coming to live permanently in a foreign country.	economic	Making enough money; profitable.
metamorphosis	The process of transformation from an immature form to an adult form in two or more distinct stages.	density	How thick or tightly packed something is; population density is the measurement of the total number of people in the area.

significance	Importance.	principle	A rule or belief about what a person thinks is right.

UKS2 What spiritual pathways to **Moksha** are written about in Hindu scriptures?

Prior learning

Hindus believe the soul is reincarnated when we die.

We collect good and bad karma through our actions.

Everyone has their own dharma to fulfil in life. Hindu stories are told about those who follow their duty, no matter what.

What should we know?

Moksha is freedom from the cycle of birth-death-rebirth (samsara).

That Hindu's believe:

- Life is a journey towards re-union with God and there are different pathways to achieve this.
- Hindus read from the Gita for guidance, comfort and advice.
- Most Hindus follow Bhakti yoga which teaches people can reach moksha through loving devotion to God.
- Many Hindus direct their devotion to Krishna; they believe that if they focus their love on him he will be their route to moksha.

Many Hindus show Krishna love and devotion.

Stories help many Hindus feel more devoted to Krishna.

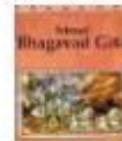

What should we be able to do?

Use the right religious terms to describe that Hindus believe there are different pathways to moksha.

Understand that some Hindus read from the Gita for guidance, comfort and advice.

Express the importance of devotion to Krishna for those who follow the Bhakti pathway.

Give examples of how Hindus express beliefs and feelings about Krishna.
